OFFICE OF LEGISLATIVE COUNSEL

Saturday - 18 February 1967

STAT 1. [] Miss Epstein, in the office of
Senator John G. Tower (R., Tex.), called for [] in connection
STAT with setting up an appointment with the Senator on Monday. I relayed
STAT this call to [] who later advised that a debriefing appointment
of the Senator had been set for 3:15 p.m. on Monday.

STAT 2. [] Dr. Herbert Scoville, Jr.,
Assistant Director, Science and Technical Bureau, ACDA, called for
Mr. Warner to relay to him that on Friday the Foreign Affairs Committee
had asked for the amount of funds spent to date by the USSR on ABM.
Dr. Scoville did not have the answer and thought that this question would
likely be posed by the Committee to Mr. Helms on Tuesday.

STAT 3. [] Mr. William H. Darden, Chief
of Staff, Senate Armed Services Committee, called to determine the
name of the USSR military intelligence organization and then the
organization which is equivalent to the Agency. Mr. Darden explained
that Senator Young (R., N.D.) was interested in the latter. I explained
that while there was no exact equivalent to the Agency in the USSR
setup, the KGB as the Committee for State Security would be the closest
fit, but that it combined both internal and external functions.

STAT 4. [] Based on the advice of Mr. Warner
advised the Director's Office and the Watch Office that at this time the
briefing of the Foreign Affairs Committee for 21 February at 1400 hours
is on. STAT
